INDEX

Abdominal aortic aneurysm — accuracy in diagnosing and sizing, 205
Acute care hospitals: their future and the physician's role, 833
Are pain centers viable, 493

Bleeding esophageal varices, vistas in the management of, 353
Bromocriptine in the treatment of haloperidol-induced galactorrhea, 769

Carbonless carbon paper, problems with, 596
Caroline Hampton Halsted and her family, revisited, 501
Cervical cancer, screening for: 1982, an update, 771
Chemical questions, 296
Civil War medicine in North Carolina, 120
Clinical diagnosis of anterior cruciate ligament instability, 345
Competition in health care, 524
Computed tomographic diagnosis of the obstructed duplex kidney in adults, 429
Computed tomographic scanning of the brain — consensus development conference statement, 516
Conjoint report: the state of public health in North Carolina, 721
Coronary artery bypass surgery: scientific and clinical aspects, 48

Dean's page
  Medical education: a time of trial, 622
  Medicine and medical education, 651
Dental care in your community, assessing the quality of, 825
Doctors — as others see us: a layman looks at the white coats, 655
Drowning in North Carolina: how you can prevent unnecessary loss of life, 432

Economic perspective, an, 575
Effect of epidural morphine on respiratory function and hemodynamic stability, 207
Emergency room experience — after the first death: reflections on poetry and, 774
Experience with fluphenazine decanoate in the management of chronic schizophrenic outpatients, 641

Fine-needle aspiration biopsy in gynecologic oncology, 349
F. M. Simmons Patterson — resolution of appreciation in honor of, 688
Food hygiene
  Health examination of food handlers — Europe, 30

Glomerulonephritis associated with infective endocarditis in a pediatric patient, 113

Health care coalitions, 725
Health care cost containment — mid-winter conference 1982, 443
Health examination of food handler — Europe, 30
Helpline, 799
Hookworm disease in North Carolina, a brief history of, 765
Hooper Memoiral Lectures, 353

Impotence — a new approach to evaluating for outpatients, 562
Impressions: a lesson in democracy, 47
Influenza vaccines 1982 - 1983, 725

Juxtaglomerular cell tumor hypertension, delayed diagnosis of, 705

Legislative symposium 1981
  Health and the budget, 124
  A Report, 122
Local anesthetic drugs, rational use of, 496
Local health coalitions: a vehicle to achieve cost-effective medical care in North Carolina, 787

Malignant pleural mesothelioma: difficulties in diagnosis, 118
Medical technology: an examination of the advantages of standardization and costs of patient monitoring equipment for an anesthesia service, 557
Mid-winter conference 1982: health care cost containment, 443

Needle biopsy in the evaluation of the thyroid nodule, 710
Neonatal follow-up program in the coastal plains region — preliminary results, 647
New Medicaid fee schedule and the internist, 785
1982 annual meeting — message of the president to the House of Delegates, 568
1982 mid-winter conference; can the practicing physician be a successful politician, 360
North Carolina
  Civil war medicine in, 120
  Hazardous waste — what is being done about it, 373
  Hookworm disease in, a brief history of, 765
  Perinatal regionalization in, 1967 - 1979, 513
  State of public health in; conjoint report, 721
  Ultrasound and a neural tube screening program in, 283
North Carolina Medical Journal, some thought about, 593
North Carolina Medical Society
  Only you can build membership, 228
  President's acceptance speech, the, 645
  President's address to, 571
  State medical convention and constitution and medical ethics adopted 1849, a history of, 212
North Carolina Medical Society Auxiliary
  President's inaugural address, 735

Pain centers — are they viable, 443
Parenteral nutrition in the management of patients with injury, role of, 828
Pediatric patient
  Glomerulonephritis associated with infective endocarditis, 113
Perinatal regionalization in North Carolina, 1967 - 1979, 513
Pneumocystis carinii pneumonia, 637
Primary amenorrhea and short arm deletion of the X Chromosome, 46, X, del(Xp), two cases, 287
Prophylaxis of neonatal eye infections, 358
Prospective obstetric management of a twin pregnancy complicated by death of one twin, 708
Psychiatric care — the effect of legal change on patterns of psychiatric care: the input of change of commitment law, 434

Rational use of local anesthetic drugs, 496
Reye's Syndrome, the diagnosis and treatment of: consensus development conference statement, 297
Rocky mountain spotted fever, 593

Science and technology, state involvement in, 442
Screening for cervical cancer: 1982, an update, 771
Sexually transmitted diseases, treatment guidelines, 835
Sleep disorders, Part III: insomnias and parasomnias, 26
State involvement in science and technology, 442
Stroke rehabilitation, 289
Strongyloidiasis, 63 cases of, 23

Thyroid nodule, needle biopsy in the evaluation of the, 710
Toxic encounters of the dangerous kind, 36, 130, 222, 292, 365, 439, 505, 584, 650, 713, 777, 845
Twin pregnancy complicated by death of one twin, prospective obstetric management, 708

Ultrasound and a neural tube screening program in North Carolina, 283
